

## Membership

**Membership is not required** to visit Cypress Cove. However, membership does have its privileges! Members receive discounts on Daily Membership Fees and lodging rates, as well as “members only” special offers. Members may also sponsor a first time non-nudist for one free visit.

**Full Members** pay no fees for day visits. They have access to storage sites, charge accounts and “full member only” short-term campsites. A monthly payment option is also available.

**After-5 Members** receive discounts on Daily Membership Fees and free admission after 5 pm.

Cypress Cove supports the work of good, family-oriented nudist organizations working for the protection of nudist rights and educating people about the benefits of a clothing-free way of life. We encourage you to support an organization of your choosing. By doing so, you may be eligible for certain discounts at Cypress Cove.
