

## Tietoc Mini Chainsaw 6-Inch with 2 Batteries

- **AUTO OILER SYSTEM:** This mini chainsaw cordless is equipped with auto chain lubrication system. Just pour oil (general motor oil is fine) into the tank, then you can freely lubricate the chain by pressing, reduce wear and tear for smoother cutting, more cuts and less energy use. One oil fill can be used for a whole day, no more carrying around a heavy bottle of lubricating oil!
- **2 LARGE CAPACITY BATTERY:** Equipped with 2× 2000mAh removable & rechargeable battery, the cordless mini chainsaw will finish all your cutting, even in the field! It's suitable for wood cutting, garden pruning, twig pruning, shrub pruning; widely used in gardens, farms, parks, forests, pastures, orchards, greenhouses. In addition, self-overload & temperature protection provide battery much longer life.
- **SECURITY DESIGNS:** 1. Security lock prevents accidental activation (The security lock & start button need to be pressed simultaneously for the chainsaw to start); 2. Safety baffles to prevent the wood from splashing; 3. Equip with an anti-slip texture handle, making you grip the mini chainsaw tightly; Safety comes, please feel free to use it!
